An amendment to the prohibition
amendment to allow the manufacture of

a light beer in the state of Oregon is
proposed in an initiative petition a copy
of which was filed at the office of the
secretary of state this morning. The
committee behind the movement is called
the "Equal Rights for Home In-
dustry committee," and proposes to
"abolish the present unjust discrimina-
tion against home manufacture of a

light beer, etc."

The proposed amendment reads: "To
amend section 36 of article 1 of the
constitution of Oregon, so as to permit
the manufacture of a light beer in the
state of Oregon for export, also for
sale within the state under such restric-
tions and regulations as may be provid-
ed by law or in the same quantity as
now allowed to beer made outside of
the state."

PACIFIC COAST STARS ON HARVARD STADIUM

Trying Out Paces for Friday and Saturday—Notes About Other Sports

Cambridge, Mass., May 23.—Pacific
coast stars tried out their paces in
Harvard stadium today, getting ready
for track and field meet Friday and
Saturday of the Intercollegiate asso-
ciation of Amateur Athletes of Amer-
ica. Every big college in the east has
teams entered, and much interest is
centered in the men who have come
3,000 miles from the western edge of
the continent to compete.

Wilson, Schnell, Lynn and Apperle
of Lehigh University were on
the clinders in the morning, spilling
off distances up to 800 yards in crack-
ing good time, according to rail bird
observers. Wilson is regarded as a
likely possibility in the mile.

Eastern critics looked on with con-
siderable curiosity when Murray, Nor-
ton and House worked out in the hur-
dle events. Much has been heard here
of these Stanford hurdlers and a good
deal is expected of them in the big
meet. Simpson of Missouri may prob-
ably finish ahead of Murray in the
high sticks, but there is hardly any-
body in the meet, dopsters think, who
can beat House in the low barriers, if
he competes. He is a freshman at
Stanford.

The University of California team
will also work out this afternoon.
Sisson, another Standforite, prac-
ticed jumping today. Captain Murray
of Stanford attracted the most com-
ment however, his form and style in
the hurdles being the prettiest seen
at the stadium for many a day.

Big Bout in Portland

Portland, Or., May 23.—Walter Mil-
ler, middleweight wrestling champion
of the world, will meet Eddie O'Con-
nell, wrestling instructor of the Moun-
tain club, in a finish bout here to-
night.

They will weigh in at 148 pounds.
Miller defeated O'Connell two months
ago at catch weights. The champion
threw outwrestled his opponent about
eight pounds, but more than one hour
was required for the first fall.

Grants Pass Boy Wanted

Portland, Or., May 23.—Kenneth
Williams, the Grants Pass phenom,
may appear in the outfield for the
Portland coast league club. A deal
was reported today by which W.
McCredie will trade pitcher Oscar Har-
rard to Spokane for Williams, who has
been hitting the ball hard in the north-
western league.

McCredie, it was learned, has asked
Bill Rodgers, who was released to
Portland by Cincinnati, about William
Rodgers and Williams were teammates
at Cincinnati.

Another change in the Portland was
made today by the announcement
that the Cleveland Americans have re-
leased pitcher Rip Hagerman to the
Beavers.

Walter Johnson's Value

Washington, May 23.—Discussing re-
mains of the Cleveland American
league club wants to purchase Walter
Johnson, Clark Griffith, manager of
Washington, said today that he would
be glad to sell the big pitcher—for the
United States treasury, engraving
plant.

Pyke in Training

Billy Pyke is out again. The one
time middleweight champion went into
training for a red round bout with
John Howard which will take place
in New York June 1.

Western Golf Championship

Del Monte, Cal., May 23.—The pro-
gram for the Western Golf champion-
ship tournament to be played here in
July was made public here today.

On July 17, the opening day of the
tournament the first 18 holes of the
qualifying round will be played. The
64 players returning the lowest cards
will continue in the second half of the
qualifying round the next day, and
the 32 lowest players will qualify for
the championship final. During the
remainder of the week the match play
rounds will be played, with the final
36 holes on July 22.

Santal to Meet Freiburg

San Francisco, May 23.—Al Santel
will meet John Freiburg of the mat
here tonight in a best two out of
three falls match. Santel is expected
to have a rather easy time.

Seals Will Get Dalton

San Francisco, May 23.—Curses on
you Jack Dalton!
This is what Manager Wolverton of
the Seals said to himself today when
he read dispatches from Detroit stat-
ing that Jack Dalton, utility outfield-
er of the Detroit Tigers had refused to
be transferred to the Seals when Owner
Navin ordered him to report to the
coast league. Dalton is peeved, de-
claring he didn't get a fair trial with
the Tigers and demands his uncondi-
tional release.

Hendrix had to do too much work on
bases for the Cubs. He wore and
aided by Cub boots, Philadelphia won,
5 to 3.

Collins contributed a home run to the
Braves' triumph over St. Louis, 8 to 0.

Although the Highlanders whaled Ed-
die Plank out of the box, St. Louis
had too big a lead to overcome in nine
frames and New York lost, 9 to 5.

Harper, of Washington, boosted his
club into first place by permitting only
four hits and fanning seven. Only 29
White Sox faced him.

Walker and Janvin came through
with timely hits in the ninth and the
Red Sox beat Detroit, 2 to 1.

The Athletics had a good start and
even better finish, hitting the horsehide
freely in the first and eighth frames
to the discomfort of Cleveland, 10 to 8.

Graney and Roth of the losers, got
humors and Walsh of the Athletics, was
also on the job with a sacker.

Willamette Notes

Prof. J. O. Hall, of the sociology de-
partment, is much in demand as a lec-
turer; his date-book shows that he will
not be able to begin his "lecture" until
some time in July for up to then he has
dates to appear as chauntiqua speaker
and to deliver a number of baccalaure-
ate sermons.

Last Wednesday Prof. Hall lectured
for almost two hours to a large crowd
at the Masonic Temple in Portland.
The occasion was the national inde-
pendence day of Norway. Senator Al-
bert Cummins was to have spoken but
his voice failed him and Dr. Hall was
secured to address the meeting.

On May 28 he will deliver the baccalaure-
ate sermon at Chemawa graduat-
ing exercises. June 4 is the date set
for the farewell V. M. W. W. C. A.
meeting and Dr. Hall will deliver an
address to the two combined associa-
tions. June 11, his services will be
employed to give the baccalaureate ser-
mon to the Astoria graduating class.

The Epworth League Institute which
will be in session in Salem early in
July will have Dr. Hall as one of their
prominent speakers. He will appear for
an address each evening during the ses-
sion.

In the latter part of June Dr. Hall
will spend two weeks building special
services for four churches in Portland.
The chauntiqua at Ashland will be
privileged to hear Dr. Hall every day.
He will be in Ashland at this time to
enjoy the mineral springs believing
they will help his rheumatism which
occasionally bothers him.

The lecture course, which he will
deliver in connection with churches and
societies during the summer will take
him to Tacoma, Seattle, Spokane and
other cities in the inland Empire.

Willamette is very fortunate in hav-
ing such a talented and broad-minded
public man on her faculty. His interests
in education are those that embrace the
ones held by the ideal educator, name-
ly, a many-sided interest.

A number of the students graduating
from Willamette are planning to do
graduate work in Professor Hall's de-
partment.

Mr. Paul Irvine, who has been teach-
ing at Joseph, Oregon, for the past
year, is in Salem at present. Mr. Irvine
graduated from Willamette last June
and since then has made fair success as
a teacher. He has been elected principal
of the Joseph high school for next
year. He will spend a few weeks in
Salem before leaving for Tillamook,
where he will spend the summer vaca-
tion.

Interest in track settles about the
coming meet, which will be held on
Sawland field next Saturday, in which
the non-conference colleges of Oregon
will participate.

Last year Manager Gary and Coach
Thompson instituted the idea of holding
a non-conference meet in Salem yearly.
A silver loving cup was offered to the
college winning the meet. It was pro-
vided however that the cup should be
won two years in succession before per-
manent possession was granted. Pa-

Willamette baseball nine will
play their last game of the season at
McMinnville college Saturday, May
27. The McMinnville team is a good
one, not having lost a game thus far
this season, and they may trim the
"Bear Cats."

The nine have not had as good suc-
cess this year as had been expected,
but this has been due to the fact that
the line-up has been changed so often
because of injuries and some of the
men leaving school. On the whole, how-
ever, they have played fairly consistent
ball.

It is hoped the idea will result in the
purpose which it was intended for, and
a track meet in which the seven col-
leges of non-conference rank will par-
ticipate.
